News...

September in summary... Although things have calmed down a little, we've had a lot of staff holiday this month so its kept us all really busy. We've had lots of Gel and pedicure bookings for holidays as well as Cut and Blow dries, getting those dry ends chopped off after summer. We also had a surge in CACI Jowl lift appointments and Back massages which is unusual at this time of year. We always have lots of massage bookings in October/November where people are in great need of some Autumn pampering and pre xmas de-stressing. Why not try our hot stone offer!

September is also the start of Christmas at The Retreat with lots of supplier meetings and organizing of stock ready for your xmas shopping. We also have already had Christmas bookings made so please get organised and book your appointments in sooner rather than later. Some days already have very limited availability left.

We have been busy refurbishing our Amazon room. It has had a complete make over with new colour scheme, theme, furniture, flooring and worktops etc. We are excited to unveil the new Crystal room to you and hope you like it.
