##### News...

July in summary... July was our busiest month so far this year with lots of Gel manicures and Pedicures, waxing and spray tanning. Typical holiday appointments with hot pinks being our most popular shades.

We had a busy month socializing too with my annual summer BBQ. It was not a nice summer day as expected and we had to put an emergency marquee up to avoid the torrential rain although it made it all the more fun! We also enjoyed Pru's birthday meal at Bagatti's in South Croydon.

We are getting excited for our Spa Day in August and our turn to enjoy some pampering. Look out for our pics posted on our Facebook page.

##### Homecare...

**Staff Tip for August... From Rosie ...** Why not try our Thalgo 3 Algae Wrap this month which exfoliates your body and leaves it feeling smooth, improves cellulite and will get your body ready for summer. I would recommend to exfoliate once or twice a week or body brush daily. It is also important to use a daily body moisturizer to keep skin nourished and hydrated. We now have new hand and body creams available by Jessica in four gorgeous scents.
