News...

January in summary... Well what a start to the year with lots of our clients having these rotten colds and bugs. Not quite the start we were hoping for but it can only get better! We enjoyed making you all feel better with some much needed relaxation after the busy festive period, doing lots of our Wellbeing Massage Rituals. The rituals were in our top 3 most popular treatments for January after Cut and Blow dries and Eyebrow tinting and shaping.

Socially, we kick started the year with a pizza night at my house to celebrate Sam and Rosie's birthdays. It was a chance for the gang to enjoy a cuddle with baby Bella and a chance for me to have some grown up time. Our next catch up will be for Shelley's birthday in March which we are already looking forward to.

Nail Colour of the Month... February...The Luring Beauty... A new dark pink with red tones from the Street Style collection. Get **10% off** your manicure and pedicure appointments if you have this colour.

NEW Thalgo Supersize Cleanser and Toner Duo. 400ml for the price of 200ml **ONLY £35.00**

Staff Tip for Feb... From Sam... Always make sure you use the correct brushes when styling your hair. A bad blow dry is usually down to using incorrect tools. It is especially important to use a tangle teezer to brush through, get rid of knots and prevent breakage and damage to the hair.
